THE *Perfect* QUALITY  
2024

XAFIO never compromises on quality. Based on ingenious technology, XAFIO introduces rigorous industrial manufacturing standard system from TURKEY and controls every process of design, development and manufacturing. From the highly difficult appearance casting, a variety of timeless surface treatments, to the original internal spool assembly configuration imported from six countries, XAFIO has gone through layers of screening and strict inspection standards. Making each product as precious as a collection, XAFIO will improve the product to the art level of SEIKO quality.
